BACKGROUND OF THE FIRM

For successful running the business in wider scale we turned our company to a private limited company in the name & style of **"TAJ INSPECTION & SURVEY CO. (PVT.) LTD."** in the year 2008. Qualified engineers and skilled technicians were employed to compete with multinationals in terms of rate and quality. We can boldly say that our company achieved the firm due to countless efforts of our employees. We also believe that our success depends on the experience and sincere efforts of our technical personnel and inspired collective management, Quality and accuracy of work are possible as we have sufficient modern equipment by which we can satisfy our clients.

We strive to carry out jobs with a straightforward attitude, working closely with clients, and to provide prompt execution that results in a professional product at a cost-effective fee. We have been very successful in working with other professionals as part of a team to meet complex development challenges. Our policy is to anticipate any issues on a project and give our client a fair and realistic cost and scheduling estimate. We dedicate at least one and sometimes several Professional Surveyors to your project. It is very unusual for a company to offer this level of experience. We are proud of our reputation of delivering an outstanding product on-time and on-price.

During the past five years, we have achieved a solid reputation for providing conscientious and reliable service to our clients. We offer the highest degree of coordination, communication, and client contact which is why our clients continue to return to our office for expertise time and time again.

Our People

The consulting staff at **Taj Inspection & Survey Co. (Pvt.) Ltd.** is comprised of registered professional engineers (civil, Electric, Survey), land surveyors, designers, draftsmen and supporting field and office personnel.
